have consented to act. They are respectfully requested to signify to the President of the Club their acceptance. The Executive Committee of the Club is composed of the President and Vice Presidents. These are, Albert Pike, President; W. T. Avery, John W. Daw- of this city, on Monday night: son, Michael Mageveney, jr., M. D. L.

J. M. Keating has been appointed Assistant Recording Secretary of the Club, and has accepted the appointment. By order of the President.

W. O. LOFLAND,

SET THE LAW AT DEPLANCE. The Stamp-act was a law, enacted by an omnipotent Parliament, for the government of its colonies not represented in that Parliament. The Sons of Liberty at Boston defied and disabeyed it, as an act of tyranny, and claimed that all laws taxing them against their consent were void. When a tax was by the same authority imposed on tes, they emptled a whole cargo into the waters of Massachusetts Bay.

against Irish Catholics were enacted by the competent authority, and part of the statute law of England. What Irish Catholic ever felt bound to ebey that one which forbade him to educate his own children?

segment; our people are harrassed ty the segment; one people are harrassed ty the segment; our people are harrassed ty the segment is one people are harrassed ty th

citizen to obey every law that the Legis-

act declaring such repeal.

The law of this State against carrying concealed weapons, was enacted in a on the erroneous idea of forbidding what is lawful and a right, because the thing forbidden to be kept or carried may be used for an unlawful purpose, there was some excuse for its enactment, since the practice so prohibited undoubtedly increases the number of hemicides. The creases the number of hemicides. The Supreme Court of the State decided the law constitutional. So the twelve judges of England decided that James the Second had the dispensing power, and Chief Justice Chase and Underwood will decide that Jefferson Davis was guilty of treason against the United States.

To feed and clothe him. [Immense devery motion springs from the love of power, of gain, of a desire for vengeance which prompts them to keep the South in suarchy, for while that exists they are independent of the will or wishes of their follow-citizens; for while confusion reigns they are dispensers of the profits and the favors which grow out of a government of mere force. These men are now placed in positions where they cannot only urge their views of politics but where themselves.

Balleralism has done a great many one enforce them. When they are love of gain, of a desire for vengeance which prompts them to keep the South in suarchy, for while that exists they are independent of the will or wishes of their follow-citizens; for while confusion reigns they are dispensers of the profits and the favors which grow out of a government of mere force. These men are now placed in positions where they cannot only urge their views of politics but where they are provided in positions where they cannot only urge their views of politics but where they are the sole agents for the sale of these control of the will or wishes of their follow-citizens; for while confusion reigns they are dispenser of the profits and the favors which grow out of a government of mere force. These men are now unitvalied Gin Stands. For beauty of stapping from the love of gain, of a desire for vengeance which prompts them to keep the South in suarchy, for while that exists they are independent of the will or which prompts them to keep the South in suarchy, for while that exists they are independent of the will or which prompts them to keep the South in suarchy, for while that exists they are independent of the will or which prompts the profits and

carry a pistol, as he has to carry a pocket knife or a pipe. He harms nobody by doing so. If he mes the weapon unlawfully, you may punish him for the unlaw- ern men who have given and acted on the Senate than a majority of the people ful act; but you have no more right to the same counsel as that of Gen. Hamp- of this Union living within the lines of the great States. In vain members of forbid his having and carrying the ton. weapon, openly or concealed, than you have to forbid his carrying a vial of strychnine in his pocket, because he suit, as far as possible, employ those negroes only who act with the Democratic party. We have an office families, and are trying, by the force of the support o game with there, or having a pen because he may forge a draft with it.

A law may be obligatory, and it may be really a crime to disobey and defy it; or it may have no real obligatory force, and asses, if we did not commend him they clamorously insist that they are the only friends of our Union. The proof of that can only have sure foundation in W. A. GOODWYN, W. A. GOODWYN,

and Tennessee declare that the free men of the country have the right to keep and bear arms for their common defence. The language is too broad and plain to give any room for construction to step in to tain and wear the same. Why should have given it so much power that it has pervert the sense. The right is perfect and absolute. Neither as to the kind of arms nor as to the time and manner of that could not be counterfeited, and violent of its members. When this been sole to shackle the Executive, to trammel the Judichary and carry out the views of the most unwise and violent of its members. When this bearing them, can it be limited by legis-lation. All the artificial reasoning of character. If it is desired, the President party, it has ever been found that the all the Courts in Christendom could avail of the Central Club will deliver such tro! them. There is hardly an able man nothing and prove nothing, against this pertificates, not only signed, but stamped who has beloed to build up the Republisher. simple proposition. The law against with a seal that cannot be counterfeited, can organization, who has not, within

fence. The law in question cannot be they will be very poor ones in practice. will be its action with this new infus enforced against those who disobey it, except in rare and isolated cases. No officer has the right to go up to a quiet clitzen in the street and search him to see whether he bears a weapon on his person. Consequently nine hundred and ninety-nine men of a thousand may carry weapons for months with perfect carry with calls for arms, and declaration of the light calls for arms, and declaration of the light calls for arms, and declaration of the perfe carry weapons for months with perfect impunity: and the law does not operate impunity: and the law does not operate equally and uniformly on all, because if one of that number of men is compelled in self-defence to draw and use his in self-defence to draw and use his in self-defence to draw and use his insurance \$125,000. Probable loss to insurance of neural servations and their families will be parsed whenever they can persuadie or force of or force of the leat combination lawrates.
